

**Marlene Wamsley**  
Practice Lead Career Transition  
Senior Career Consultant

## Overview and Strengths

Marlene brings over 25 years of experience providing coaching, mentoring, and professional development to individuals at all levels within an organization.

A skilled coach and facilitator, Marlene has earned a reputation as an excellent career coach, with experience in helping clients develop clear objectives and marketing strategies. Her clients include individuals with backgrounds in Health Care, Information Technology Consumer Products, Non-Profit and Financial Services.

Marlene has held senior leadership roles in relationship management, supply chain management, vendor management, operations, and business transformation. She has served on organizational committees focused on employee engagement, talent development, mentoring, and continuous improvement.

## Coaching Philosophy

Marlene specializes in developing effective teams, building a positive team environment, inspiring, supporting, and encouraging others to achieve their goals and reach their highest potential. Her underpinning philosophy is that of honesty, integrity, and respect. Her ability to see what others cannot see in themselves and assist them in their growth and development to a successful destination is what drives Marlene to do what she does.
