

**Marty Page**  
Co-Practice Lead Career Transition  
**Senior Career Consultant**

## Overview and Strengths

Marty brings over 20 years of experience in corporate Human Resources positions in the Financial Services industry and Government Defense Contractor sector. In these roles, she focused on advising, consulting, coaching, developing, and engaging leaders to drive successful business and workforce strategies. Marty is especially skilled in understanding individual and organizational perspectives to engage in deliberate, empathetic, and purposeful conversations designed for driving improvements across employee engagement, culture, high-performing teams, leadership effectiveness and growth, organizational change management and talent management.

## Coaching Philosophy

In her role at Promark, Marty specializes in meeting each person where he or she is within his/her career challenge or journey and helps each individual move forward in a positive manner. She is passionate about helping people manage professional change and career journeys to enable high levels of fulfillment. She understands the desire to learn and grow in a career and the importance of utilizing one's talents to achieve job satisfaction.

She has supported people in career transition from a variety of companies, earning strong recognition for her calm and engaging interpersonal skills and individualized delivery methods.
